The **Committee on Education Policy (CEP)** Agenda Calendar (formally known as the Committee on Academic Program, Policy, and Research (CAPPR) Agenda Calendar) serves as a reminder of the deadlines by which a proposal must be fully approved and completed in order to be considered for a presentation at the **Committee on Education Policy (CEP)** of the CUNY Board of Trustees. The University Office of Academic Affairs is committed to facilitating this process and helping the colleges prepare a proposal that is carefully focused and well-defined in terms of the College's and the University's goals. Colleges are encouraged to consult with the Office of Program Review as early as possible in order to work out a tentative timetable.
