

Committee on Admissions, Evaluations and Academic Standards (CAEAS) Report

Senate Meeting: December 4, 2024

The CAEAS committee met via Zoom on November 11, 2024 and again on November 19, 2024. There was a quorum present at both meetings.

CAEAS members voted unanimously to approve all graduation candidates pending satisfactory completion of their degree requirements. The graduation lists are now brought to the Senate floor for a vote.

CAEAS discussed and sought clarification regarding the June 2024 revised Uniform Grading Policy that was sent out by CUNY Central, as well as three other new policies that were introduced at CUNY Central in the Spring of 2024. The committee presents the updated Uniform Grading Policy and the clarifications document as informational items.
