

MINUTES
Graduate Studies Committee
March 6, 2019

Present: Interim Vice-Provost Prohaska; Professors DeSimone, Kennelly, Mazza and Seiger

The meeting was called to order at 11 a.m.

1) The committee approved the minutes from the meeting on February 6, 2019.

2) The committee discussed proposals from the following department:

Department of Biological Sciences

- New course: BIO 632

3) Interim Vice-Provost Prohaska shared new processes for proposal approvals that recently have been implemented by CUNY. There will be two paths for curricula approvals: a) any changes requiring NYSED approval or any new programs will still go to the CUNY Board; and b) new courses and any current program changes (e.g., course descriptions, credits, pre/corequisites, etc.) will now only go to CUNY Central for approval, which hopefully will allow for faster turnaround.

The meeting adjourned at 11:30 a.m.

Respectfully submitted,

Janet R. DeSimone, Chair
